## RULES AND GUIDELINES

---

### I. FORMAT AND PARTICIPATION

#### A. GAME DAY FORMAT

The total number of participants for a school team is determined by counting all spirit-leading participants including cheerleaders, dancers, mascots, and flag runners. The use of live band and/or drum line to supplement the Game Day environment is not permitted. Twirlers will not be allowed at this event.

Schools are responsible for registering their squad in the appropriate division based on LHSAA classification. Flag runners and/or mascots are welcomed to participate and all participants on the floor count toward total number. Flag Runners and mascots cannot be involved in the execution of cheer skills. For the purposes of coed determination, only male CHEERLEADERS count toward the total males (not mascots or flag runners). COED teams shall consist of four (4) or more male cheerleaders. Teams with three (3) or fewer male cheerleaders would compete in the appropriate division based on school classification.

Each school team will be allowed to enter one (1) school team division determined by the school enrollment reported at the 2016 LHSAA School Classifications. The following divisions have been identified in which schools must participate in their appropriate division.

#### **TEAM DIVISIONS:**

#### **TEAM FEE:**

<b>DIVISION I (5A)</b>	Maximum of 30 participants (2 or fewer males)	\$300
<b>DIVISION II (4A &amp; 3A)</b>	Maximum of 30 participants (2 or fewer males)	\$300
<b>DIVISION III (2A-C)</b>	Maximum of 30 participants (2 or fewer males)	\$300
<b>COED (All Classifications)</b>	Maximum of 30 participants (3 or more males)	\$300

#### B. SCHOOL REPRESENTATION AND TEAM PARTICIPATION

The school team will consist of students that meet the requirements according to the LHSAA Rules and Guidelines.

1. One team per school will be allowed to enter the LHSAA Spirit Championships.
2. All participants must be academically eligible students of the school in which they represent and must be designated by school officials as spirit representatives for participation purposes.
3. The individual students representing a school team may vary in the preliminary categories provided each performance does not exceed the maximum number of participants.
4. For teams advancing to the finals, participants that enter the floor must remain the entire length of the finals performance. Substituting individuals on and off the floor for the different sections of the final round is not permitted.
5. It is the responsibility of the school coach that all team members, coaches, parents, and other persons affiliated with the school conduct themselves in the appropriate manner.
6. School teams must refrain from taunting, bragging, or suggestive expressions or gestures as well as discrimination of any nature.

### C. UNIFORM AND EQUIPMENT GUIDELINES

Traditional game day uniform is required and must comply with all AACCA uniform rules.

The covered midriff requirement does include flesh or nude colored body suits and liners; however, fringe would not count as a cover.

School teams must display an overall appearance conducive to serving as public representatives and ambassadors of their school in regards to grooming, traditional and appropriate attire, conservative make-up and uniformity.

The use of signs, poms, flags and megaphones are allowed and encouraged for performances. The use of additional props is not permitted.

### D. COMPETITION PERFORMANCE AREA

Approximate floor size will be 54 feet wide by 42 feet deep (9 strips).

The LHSAA Spirit Championship will comply with the AACCA competition surface rule.

Signs or props may be placed or dropped outside the competition area by a team member.

### E. MUSIC

Schools must use recorded marching band music for the fight song and band chant categories.

All use of music must be compliant with U.S. Copyright Laws.

*Neither The Louisiana State High School Athletic Association nor Varsity Spirit is responsible for obtaining any necessary permission or licensing of the recorded music used by a school team during the course of the LHSAA Spirit Championships.*

#### Fight Song / Band Music

- a. If a high school marching band records their school's **original** fight song, they will need to get the school's permission to use the song and recording
- b. If a team legally acquires a recording of a band playing a popular recording from an authorized provider (iTunes, Amazon, etc.), the song can be used as long as no edits are made to the music (other than for timing purposes).
- c. A team cannot use a recording of their band playing a popular song (a cover) or other music without the proper permissions or the band becoming a preferred provider.  
See Varsity.com/music for more information about preferred providers.
- d. If a team would like to perform to a recording of your band playing a SINGLE musical composition, you will need to provide documentation that confirms the following:
  - i. The team has secured a compulsory license to make copies of the recording made by the band or orchestra
  - ii. The band or orchestra recorded the song for and in conjunction with the cheer/dance team
  - iii. The school principal or dean was aware of and approve this recording
  - iv. That no other musical compositions are embodied in the recording to be used by the authorized cheer/dance squad.

## F. HEALTH AND SAFETY REGULATIONS

LHSAA rules require cheer and spirit performances to be in accordance with safety standards prescribed by AACCA.

School participants must comply with the LHSAA Rules and Guidelines.

## G. ADDITIONAL SAFETY PROCEDURES

To ensure that the safety of participants is not compromised due to limited number spotters available to travel with a school team, and to promote a higher level of safety for competing participants, the LHSAA will provide additional spotters only on the performance floor at the state competition. Schools may also provide additional spotters in warm up areas only.

Definition of Additional Spotter: Individuals on the competition floor provided as a safety precaution to spot specific elements of a routine. To provide the safest competitive environment, teams should not attempt skills beyond their ability level.

LHSAA competition will provide additional spotters that follow the listed guidelines:

1. Will be used during the stunt or pyramid sections only. Additional spotters are present for added safety and will stand at the back of the floor when not spotting those sections.
2. Will not touch, assist, or save skills being performed. Additional spotters will only be used to prevent a fall to the competition floor.
3. Will be dressed so that they are presentable. Professional, and distinguishable from the performing athletes.
4. Will be identified by experience and be familiar with spotting cheerleader skills.

## II. PERFORMANCE CRITERIA

Teams will be evaluated on their ability to lead the crowd, proper skill incorporations and performance, motions, dance and overall routine. Game Day practicality is heavily emphasized. Performances should be prepared as they would for sideline leading at a school sporting event.

### A. GAME DAY ROUTINES

The competition will consist of three categories. There should be no “organized” entrances when taking the floor for any of the performances. Crowd-leading tools will not be “preset” but instead taken to the floor with the team when announced.

#### 1 - Crowd Leading:

- Sideline cheerleading that engages crowd response
- PRELIMINARY competition - teams will take the floor at the sound of a BUZZER. Timing begins when the buzzer sounds and teams are encouraged to lead the crowd as they take the floor and continue the crowd-leading section
- One minute time LIMIT
- There will **not** be a buzzer to signify the end of this section
- Skill restrictions:
  - No basket, sponge or elevator tosses allowed (cradles are considered dismounts, not tosses). Coed and “quick” tosses are permitted.
  - No inversions
  - No twisting dismounts from stunts
  - Single-leg extended stunts are limited to liberties and liberty hitches
  - No running tumbling
  - Standing tumbling is limited to one tumbling skill at a time. A back tuck is the most elite standing tumbling skill allowed

#### 2 - Fight Song:

- Traditional school fight song performed to recorded marching band music
- PRELIMINARY competition - teams will be announced, take the floor, with timing beginning with the first beat of music or organized movement
- One minute time LIMIT
- Up to three **CONSECUTIVE** eight-counts may be incorporated with stunts, tumbling and/or jumps. IF repeated (to accompany the repetition of the fight song), the incorporation must repeat exactly as initially performed.
- Skill restrictions:
  - No basket, sponge or elevator tosses allowed (cradles are considered dismounts, not tosses)
  - No inversions
  - No twisting dismounts from stunts
  - Single-leg extended stunts are limited to liberties and liberty hitches
  - No running tumbling
  - Standing tumbling is limited to one skill at a time. A back tuck is the most elite standing tumbling skill allowed

#### 3 - Band Chant:

- Marching band music or drum cadence performance that encourages crowd interaction
- PRELIMINARY competition - teams will be announced, take the floor, with timing beginning with the first beat of music or organized movement
- One minute time LIMIT
- No stunts or tumbling are permitted in this section. Jumps and kicks are allowed

## B. PRELIMS

Each performance will consist of one preliminary round of each of the three identified categories above. Each round will have a time limit of one (1) minute. Each of the three category prelim performance rounds will be preceded by a designated warm-up session.

## C. FINALS

Five (5) teams per classification with the highest cumulative scores from the three preliminary categories will advance to finals. The final performance round will be preceded by a designated warm-up session.

Each FINALS performance will have an overall maximum performance time limit of three (3) minutes and will be performed in the following order:

1. Band Chant
2. Situational Response (see description below)
3. Crowd Leading
4. Fight Song

The entire performance will be executed in a continuous order. To continue the feel of a Game Day environment, **spirited crowd-leading interaction between each section is encouraged.**

SITUATIONAL RESPONSE: Each team will respond to audio cues by a game announcer, as heard at football and basketball games. In order to imitate the Game Day environment, audio cues will include an announcer-lead situational cue to which the team will show a definitive OFFENSE or DEFENSE response. A general response would not meet the criteria.

## D. SCORES AND RANKINGS

In the preliminary rounds, each team will be scored by multiple judges in each of the three categories.

The official FINAL results and team placements will be determined by the cumulative scores from the FINALS round only. Preliminary round scores will not carry over to determine final team standings. However, if a tie occurs in the final round, the cumulative preliminary scores will be utilized to break any ties.

Scores and rankings will be available only to coaches as follows:

- Preliminary Rounds - score sheets will be made available to all teams following the preliminary round.
- Finals scores and rankings will be posted on the LHSAA website following the conclusion of the competition.

The judges will score teams using the criteria listed on the LHSAA Spirit Championships score sheet. All scores and judges decisions are considered final.

## E. TIME LIMITATIONS

Acknowledging the potential variance in sound system and timing devices, judges will not issue a deduction until their stopwatches show a time of three (3) seconds over the time limit for the preliminary round and five (5) seconds over the time limit for the final round.

It is recommended that all teams practice and time performances prior to competition to allow for variations in sound equipment.

Introductions and exits:

- a. All team breaks, rituals, and traditions need to take place backstage before a team is in the "on deck" or next to perform position.
- b. Teams should take the floor immediately with spirit and enthusiasm, but without excessive gestures i.e. teams must refrain from chest bumps, hugs, and hand-shakes.
- c. All teams should refrain from any type of excessive celebration following the team's performance.
- d. There should not be any organized exits or other activities after the official ending of the routine.

## III. INTERRUPTION OF PERFORMANCE

### A. UNFORSEEN CIRCUMSTANCES

If, in the opinion of the competition officials, a team's routine is interrupted because of failure of the competition equipment, facilities, or other factors attributable to the competition rather than the team, the team affected will be directed to **STOP** the routine.

If directed to stop a routine, the team will perform the routine again in its entirety, but will be evaluated only from the point where the interruption occurred.

### B. FAULT OF TEAM

In the event a team's routine is interrupted because of failure of the team's own equipment, the team must either continue the routine or withdraw from the competition.

The competition officials will determine if the team will be allowed to perform at a later time. If decided by officials, the team will perform the routine again in its entirety, but will be evaluated only from the point where the interruption occurred.

### C. INJURY

All participants must follow the LHSAA safety regulations. The only persons that may stop a routine for injury are: a) competition officials, or b) the school coach from the team performing.

If the cheer routine is interrupted by an injury to one of the participants the coach may choose to finish the routine from the point of interruption or choose to take the score earned to that point. If the competition officials allow a routine to be performed at a later time, the spot in the schedule where the re-performance is to take place is at the sole discretion of competition officials. The team may perform the routine again in its entirety, but will be evaluated only from the point where the interruption occurred

The injured participant that wishes to perform may not return to the competition floor unless the competition officials receive clearance from the on-site medical personnel and the school head coach of the competing team.

Any injured participant suspected of a concussion is required to follow the LHSAA Concussion Policy regarding the treatment of concussions and must be removed immediately from the competition.

#### IV. INTERPRETATIONS AND RULINGS

##### A. AWARDS

Each division will receive the following:

1. The top two teams will be awarded and designated with a runner-up trophy and 1<sup>st</sup> place with a championship trophy.

##### B. JUDGING PANELS

Judges will be provided by the LHSAA and they will be responsible for scoring each school performance according to the LHSAA competition score sheets.

**Head Judge** - The Head Judge is responsible for overseeing the entire Judging Panel that consists of Panel Judges, Point Deduction Judge, and Safety Judge. The Head Judge will also fill out his/her own score sheet for each performance.

**Panel Judge** - Panel Judges are responsible for scoring each team's performance based on the LHSAA score sheets. Each Panel Judge will fill out a score sheet for each performance.

**Safety Judge** - The Safety Judge is responsible for administering all safety violations, time violations, and boundary violations.

**ALL JUDGES' DECISIONS ARE FINAL** - One of the calculated risks that a coach must accept is that he/she, his/her players, or the judges may make mistakes during the course of the competition.

##### C. DISQUALIFICATION

Any team that does not adhere to the terms and procedures of the LHSAA Spirit Championships rules and regulations defined in this document will be subject to disqualification from the competition and will automatically forfeit any award.

## D. DEDUCTIONS

Deduction points will be subtracted from the final score.

Teams may only compete in one division.

No athlete may cross over to another team for competition during state. This allows each school the opportunity to put a representative team on the floor, in their discipline, not the same team in a different costume. Violation of this rule will result in a team disqualification of each team in which the participant competes.

All rules of the National Federation, AACCA, and the Louisiana High School Athletic Association will be enforced at all times.

All team members must be dressed in school approved attire that complies with the NFHS and LHSAA guidelines.

No skills, technical or otherwise, shall be executed when the coach/sponsor is not present.

Team Pictures will be taken by Roma Pics (LHSAA Official Photographer). Pictures will be AFTER the team performs.

Warm-Up: Warm-up times will be included in the final schedule.

- Cheer: 4 minutes on Tumbling Strip & 4 minutes on panel foam mat
- Dance: 4 minutes on warm-up floor

There should not be any organized entrances or exits before or after the official routine. All introductions (tumbling, entrances, chants, spell-outs, stunts, etc.) are considered part of the routine and will be timed as part of the performance.

The competition area for all divisions will be approximately 54 feet wide by 42 feet deep (9 Strips/Marley or Gym Flooring) All tumbling, pyramids and stunts must be performed on the performance mat. A one point per judge penalty will be assessed for each violation.

If a sign or prop is thrown outside the performing area, that team will receive a one point per judge deduction for each violation. Signs or props may be placed or dropped outside the performing area by a team member.

## NFHS SPIRIT PARTICIPANTS RESPONSIBILITIES

---

### GENERAL:

1. Spirit team members should be present at all games to which they are assigned, and initiate positive crowd involvement.
2. Spirit teams should be in their assigned places throughout the contest.
3. As representatives of the school, proper and positive behavior should be required at all times.
4. Spirit teams should be required to arrive a sufficient amount of time before games begin. Their duties should include: (a) meeting and greeting the visiting teams and making them feel welcome; (b) assisting visiting teams with questions such as where they are to be located during the contest, where they can change, etc.; (c) allowing adequate time for their warm-up period.
5. Prior to the start of a game, a plan between the home and visiting cheerleaders, pep bands and other spirit groups should be devised whereby all groups have the opportunity to cheer/perform during noninjury time outs and intermissions. This will help eliminate confusion and prevent delays in the game while the officials wait for the spirit teams to get off the field or floor.
6. At games away from home, spirit teams should arrive as a group and meet the host teams.
7. Participants should know the game rules and officials' signals to the extent of understanding when and what type of cheers are appropriate. Spirit team members should always pay attention to the game or contest.
8. When the official signals for the game to begin after a time-out, the spirit teams should leave the floor immediately. Spirit teams shall stay clear of the playing area prior to and during the contest so as not to interfere with the players or officials or increase the possibility of injury.
9. Spirit teams should accept the decisions of officials and discourage disagreement of fans by initiating positive chants or cheers.
10. Spirit teams should realize the importance of actively influencing the positive conduct of the spectators.
11. Spirit teams should adapt their routines to the environmental conditions and playing surfaces for which stunts, pyramids and routines are used (i.e. mounts, pyramids or gymnastics shall not be permitted during rain, strong wind, or extreme cold on slippery or uneven surfaces or where there is not enough space. Hot and humid weather also may present problems.)
12. After performing or cheering, spirit team members should clear the playing area of any materials that could hinder play, i.e. pom fragments, signs, hair bows, apparel or props.
13. Spirit team members should use appropriate and positive language throughout all practices, games, performances and competitions.

## **SPORTSMANSHIP:**

NOTE: The NFHS disapproves of any form of taunting which is intended or designed to embarrass, ridicule or demean others under any circumstances including on the basis of race, religion, gender or national origin. Good sportsmanship is conduct which imposes a type of self-control involving honest rivalry, courteous relations and graceful acceptance of results. School spirit is a reflection of these attitudes and behavior. If a school is to succeed in one of its prime functions, that of developing good citizenship, it is necessary that student groups radiate proper sportsmanlike conduct. Sportsmanship is good citizenship in action. The promotion of sportsmanship is a primary responsibility of spirit groups.

1. Spirit teams always should cheer in a positive manner. It is inappropriate to cheer against the other team or to cheer in response to an opposing player's mistake. Initiating response cheers between home and opposing spirit teams or fans is strongly discouraged.
2. Cheers and chants with suggestive words and/or motions (ex. pointing at opposing teams or fans) shall not be used because in many situations they bring about an inappropriate response.
3. Spirit leaders should call attention to the importance of sportsmanship at all pep rallies. When permitted, placing sportsmanship posters promoting good sportsmanship on the wall of the gym or throughout the school is helpful.
4. Spirit leaders should discourage their followers from yelling or cheering while an opponent is shooting free throws. Intimidation of opponents has no place in high school athletics.
5. Spirit leaders are in a position to preview spirit signs that will be posted for their school's contests (when permitted). Prohibiting inappropriate signs from ever being posted can greatly assist the administration and helps students or school personnel understand the importance for positive signage which is to create and maintain a positive crowd atmosphere.
6. Obnoxious behavior should not be encouraged nor permitted under the guise of school spirit. Opposing players, officials and fans should be treated with respect and dignity. If inappropriate crowd behavior exists, assistance should be obtained from a school administrator or game management.

## **TECHNIQUES FOR LEADING CHEERS:**

1. Stimulate and control crowd response.
2. Choose the right cheers at the right time.
3. Be certain that words used in a cheer do not suggest, inflame or taunt an audience.
4. For indoor events, do not use artificial noisemakers or noise enhancers, including, but not limited to cowbells, sirens, clackers, cans with marbles or rocks inside, air horns or any other noisemaking apparatus. Megaphones may be used only by cheerleaders, directed only toward one's own fans.
5. Divert the crowd's attention by starting a crowd cheer when booing develops.
6. Cheerleaders should get the crowd to respond to their lead by preparing them during pregame warmups.

7. It is important that the cheerleader make eye contact with the crowd while leading a cheer; his/her facial expressions are very important in generating enthusiasm and a strong response.
8. Emphasize each word so that each is distinct and the cheer may be understood and followed easily.

### **WHEN TO CHEER:**

1. As your team comes on the floor or field.
2. When your team or a player makes an exceptional play.
3. When a substitution is made on your team. When appropriate, cheer outgoing player and incoming player.
4. As encouragement and tribute to an injured player when that player leaves the game.
5. When an opponent, who has played spectacularly, leaves the game.
6. As encouragement to own team in its drive for a score.
7. As encouragement to own team in defense of its goal.

### **WHEN NOT TO CHEER:**

1. When an opposing player makes a mistake or the opposing team is being penalized.
2. When an opposing player is injured.
3. As important announcements are being made over the public-address system.
4. When an unsportsmanlike act has occurred or is occurring.

Note: Negative or demeaning cheering is never acceptable. Chanting or cheering for the purpose of taunting the opponents is also never appropriate.

### **WHEN TO PERFORM:**

Spirit teams should be aware of the time available to perform. Appropriate situations for routines are: pregame, full 60-second time-outs, between quarters, at half-time, and postgame.
