*** The Baden football must be used in the State Football Championships. A school is allowed to use its own ball as long as it is a Baden-approved ball. If a school does not bring a Baden ball, then the Baden Perfection QB1 F7000L-QB will be available for use at the State Championships.

For your convenience a list of Baden dealers is attached to this letter. You may access the list of Baden balls on the LHSAA Website under [Forms and Downloads](#).
