Louisiana Volleyball Coaches Association

We're going paperless! No more physical applications to fill out, address, stamp, and mail! You can become a LVCA member now through September 30, 2017. Please register @ lvca.ticketleap.com/membership/ to be a part of something great!

This year we are increasing the regular membership fee to \$60 in order to keep up with increasing financial demand.

As a regular member of the Louisiana Volleyball Coaches Association, you can:

- Nominate your players for All-State
- Stay up to date with the latest news via email updates
- Participate in Coaches' clinics
- Receive newsletter via email

In addition to membership, you can support the association's fundraiser by purchasing a LVCA T-shirt through the online registration.

Once your registration has been received, ticketleap will send you a receipt. In addition, Mendi Leboeuf, LVCA treasurer, will send an email to confirm your online registration.

Welcome!
