3. Contest played against sub-varsity opponents, Hall of Fame games, and district playoff (tie-breaker) shall not count in determining a school's power rating.

- 11.5.2** When a team's opponent is an out-of-state team, the classification of the out-of-state team shall all be weighted equally. There will be no play up points factored into an out-of-state opponent. When a school plays an out-of-state school that has any games on its schedule after the LHSAA's final playing date, those games shall not be used in determining the school's power ranking.
1. When a school plays an out-of-state school all contests played that count on their regular Season record shall be used to calculate a school's power ranking.
  2. If an out-of-state opponent plays more than 34 regular season games by the time of the LHSAA's final playing date, only the results of the first 34 games played shall be applied in the LHSAA's Wild-Card Program.

- 11.6.4** Schools that are classified as B and C, and Division V schools shall count all games played.
- 11.6.5** After schools are ranked, they shall be seeded from the highest to lowest against the highest to lowest seeded teams that have played at least 15 games or more during the regular season.
- 11.6.6** Tie breaking procedures to be used when two or more schools have the same power rating:
1. If two schools are tied and played each other during the season, the school that won the most games against the other school shall be the higher seeded team.
  2. If after applying the first criterion and the tie is not broken or if the two schools did not play each other during the season, or if there are more than two schools involved in a tie, the tie shall be broken by applying class play percentage (schools that were played in the individual school's classification). The school with the higher percentage shall be the higher seeded team.
  3. If after applying the second criterion and the tie is not broken, the school with the highest won-loss percent in district play shall be the higher seeded team.
  4. If after applying the third criterion and the tie is not broken, the school with the highest won-loss percentage in overall regular season play shall be the higher seeded team.
  5. If a tie still remains, the higher seeded team shall be determined by having a "draw" conducted in the LHSAA office by the basketball seeding committee.
