Counting to achieve equal fourths shall begin with the lowest and end with highest soccer school enrollment. Schools with equal enrollment that form the dividing line shall play in the lower division. A school may not participate in a division below that mandated by its enrollment. The LHSAA shall district soccer schools in each division.

18.3.2 A school may elect to play in the next higher division if it submits a written declaration to the LHSAA by 12:00 noon on the day of the first classification meeting in a classification year.

3. If after applying the second criterion and the tie is not broken, the school with the highest won-loss percent in division play shall be the higher seeded team.
4. If after applying the third criterion and the tie is not broken, the school with the highest won-loss percentage in overall regular season play shall be the higher seeded team.
