Varsity Schedule

IMPORTANT INFORMATION

Please remember that team introductions and the National Anthem are to be started at 3:25 p.m. with practice at 3:30 and matches to begin at 3:40. You must have your lineups ready to go once practice is finished as you must start promptly. As always the second team listed is the home team, keeps the scoring sheet, bowls on the even lanes, and your lowest average bowlers are always on the lower pair. DISTRICT INFORMATION One girl's district has 10 district matches and **two non-district (ALWAYS PUT IN BOLD LETTERS)**, while the other had 8 district matches and **4 non-district matches. Some of the non-district would be within your own district.** Two boy's districts had 9 district matches & **and 3 non-district**, putting them at the maximum and the remaining boy's district **had to play some non-district matches against their own district to reach the 12 match level.** I tried to put all **non-district matches** to the front of the schedule like most other sports, so early matches didn't allow for much flexibility and were limited. **PRACTICE STOPS WHEN 3RD GAME STARTS**
