LHSAA State Baseball Championships RFP
INTRODUCTION

The information contained in this document provides the minimum proposal specifications for hosting the championship. The completed and signed proposal form must be received electronically by 12:00 pm on Wednesday, May 1, 2019.

All proposals shall be reviewed and analyzed by the LHSAA staff. As each proposal is evaluated, further clarification/input regarding the prospective host sites may be sought and, if needed, a site visit to the facility shall be arranged. The LHSAA administration will make a recommendation to the Executive Committee during its next meeting on June 10-11, 2019. Final approval rests with the LHSAA Executive Committee, and your organization will be notified of their decision.

Coordinating the hosting of the championships requires solid planning, smooth coordination between those involved, and complete cooperation from all entities in the community. The LHSAA is keenly aware of the hard work and dedication necessary to be successful as a host. The LHSAA will do everything within its ability to make sure the event is successful for all involved. The partnership will split areas of responsibility between the host and the LHSAA.

In recent years the LHSAA has turned to corporate and organizational sponsorships to help defray some of the expenses involved in staging this event; therefore, any sponsorship money offered by the proposing party will be given strong consideration by the LHSAA when awarding this proposal. At the same time, other important factors we believe to be vital in staging a first-class championship experience for our students and coaches will be considered.

It is critical you reference all topics in the invitation to bid documents when preparing your proposal. How you plan to manage your areas of responsibility, how the facility will be operated, personnel assignments, identifying those who will work directly with the LHSAA staff, and revenue sharing sources will be very important to the proposal evaluation by the Executive Committee.

Thank you for your interest in this event! We are fully aware of the time and efforts required in preparing a proposal and are grateful for your consideration and commitment. Should you have any questions or concerns during this process, please do not hesitate to email Kathie Smith at ksmith@lhsaa.org or call our office at (225) 296-5882.

Below are the two important deadlines to keep in mind:

May 1, 2019 - Bid Proposal Due

June 10-11, 2019 - Bid Presentations to Executive Committee
