Attention Coaches and Tournament Directors: Be sure to read this bulletin carefully as some policies and procedures have changed as a result of the actions of the member school principals at the LHSAA Annual Meeting. The new policies have been noted in red.

2014

**DISTRICT, REGIONAL, & STATE
BOYS' GOLF BULLETIN**

***District Entry Form Deadline:
Wednesday, April 16, 2014***

LHSAA Contact for 2014

Gary Duhe, Director LHSCA

(225)300-4216

GENERAL

For the 2014 season, boys' golf shall be divided into four equal or nearly equal divisions. Golf divisions shall be based on a school's October 1, 2010 enrollment that was certified to LHSAA under the guidelines of Article 8.3 of the Constitution-Enrollment Calculation.

For the 2014 golf season only the 170 schools that had an official golf team at some point during the last three years were included in the division calculations. A total of 213 schools indicated on the LHSAA web-site that they participated in boys' golf. The 43 schools that did not have an official golf team during the last three years were added to a district after the division of the 170 schools.

The LHSAA shall place boy's golf school into one of four equal or nearly equal districts.

United States Golf Association's (USGA) rules shall prevail, except where modified by LHSAA and/or local course rules approved by the tournament director/committee. A course's rules shall be clearly defined in writing to coaches and his/her golfers. In questionable situations involving the rules of play or the course, golfers shall abide by the decisions made by the local professional and his/her staff.

Anyone, including coaches, parents, and/or marshals, shall be allowed to assist a golfer in searching for a lost ball.

A contestant shall not be allowed to have a GPS device, cell phone, CD player with headphones, or any other communication device on the course at any time during actual competition. Use of a range finder is permitted. Violation of this rule shall be a two-stroke penalty.

No contestant shall use any form of tobacco at the competition site. Violation of this rule shall be a two-stroke penalty. No coach or other school personnel shall use any form of tobacco at the competition site. Violation of this rule shall be a two-stroke penalty assessed to the team score or to the individual golfer's score if there is only a medalist entered in the competition.

A medalist is defined as any golfer who records a legal score. A medalist may be a member of an official LHSAA team or an individual golfer from a school that does not have enough golfers entered in the regional/state tournament to field an LHSAA defined team.

Coaches shall be prohibited from playing golf on the competitive course during the regional and state golf tournaments.

Only teams and medalist that are listed on the official entry blank shall compete in the district, regional, or state tournament.

The head golf coach shall be allowed to coach and/or converse with his/her golfer(s) at any time during the competition. Assistant coaches shall be allowed to coach and/or converse with his/her golfer(s) only from the green to the next tee box and only once all players in that playing group have completed the hole. Example: Once a player of Team A steps onto the tee box to tee off, the coach of Team A shall have no further verbal contact with him. The tournament director/committee shall provide some method to identify a coach who is allowed to give advice (armband, neck tag, etc.). Violation of this rule shall be a two-stroke penalty to the individual golfer. The individual golfer shall be disqualified by tournament officials and the coach shall lose coaching privileges for a second offense of this rule. **Coaching and/or conversing with the golfers should in no way affect the pace of play.**

During the tournament, non-coaching spectators (parents, friends, and other golfers) shall be allowed on the course to observe golfers during play. The following rules shall apply to observers:

1. Spectators shall be notified that they are spectators and it is not their responsibility to report possible rule violations.
2. Spectators shall remain a reasonable distance (at least 50 yards) from golfers at all times.
3. After play has started, spectators shall not "coach or advise" players by having neither verbal nor visual communication with golfers or interfere with play in any way at any time. On course encouragement, support, applause, etc. is not considered coaching or advice; therefore, it is permissible.
4. On the first violation of this rule the individual golfer shall be assessed a two-stroke penalty and the spectator shall be warned. The individual golfer shall be disqualified by tournament officials if the coaching continues and the spectator shall be removed from the course.

If golfers who have completed play go back onto the course after completing play; they assume the role of spectators.

Boy's Attire: School team members shall be attired in the same color shirts consisting of a collar or a mock turtle neck shirt that meets local course rules and the same color pants or shorts. The pants or shorts may be a different color from that of the shirt. Golfers shall not be allowed to wear blue jeans, denim, or "cut-off" shorts. Additionally, all shirts must be tucked in at all times and all caps/visors must be worn with the bill facing forward at all times during play. In summary, all golfers must be neat in appearance with respect to personal grooming and clothing. A golfer that is not in compliance with this rule shall not be allowed to compete in the tournament.

All golfers shall walk during the round(s) of play. A golfer shall carry his own clubs or use pull carts. Golfers shall not be allowed to use a caddy.

If possible, the tournament director shall arrange for a practice round prior to the round of play. A golfer shall arrange his practice round tee time and participating schools shall pay their own green fees. Participating schools may be required to pay green fees for tournament participation.

Practice on the playing course shall be prohibited after the tournament begins, except as outlined in Rule 7 of the USGA Rule Book.

If a golfer fails to make his tee time, he shall be disqualified from the tournament. If a golfer is not on the tee box at the appointed time, he shall be ruled as missing their tee time. In the state tournament, he shall be disqualified from the tournament as a medalist but not as a team member. He can still complete on the second day as a team member. **As per USGA rules, a golfer may be allowed to begin play after receiving a two-stroke penalty and catch up with his playing partners, if he arrives at the tee box within five minutes of his appointed time.**

Golfers shall be required to adhere to proper sportsmanship while on the course. Unsportsmanlike conduct is defined as profane, vulgar and/or abusive language audible to others; carelessly and/or deliberately throwing clubs and/or slamming a club to the ground; verbalizing with intent of intimidation; or exhibiting behavior not in accordance with the spirit of fair play. Violation of this rule shall result in the following penalty structure:

First Offense – Warning

Second Offense – Two stroke penalty

Third Offense – Disqualification (*Note: If a golfer is disqualified because of an unsportsmanlike act, the act shall be reported in writing to the LHSAA.*)

If a golfer is disqualified during the round, his recorded score to that point shall be disregarded for team or individual honors.

If a golfer is disqualified in a district golf tournament and his/her team qualifies for the regional and/or state tournament; he/she shall be permitted to compete only as a team member but not as an individual in the regional and/or state tournament.

If a golfer is disqualified in a regional golf tournament and his team qualifies for the state tournament; he shall be permitted to compete only as a team member but not as an individual in the state tournament.

In the state tournament, if a golfer is disqualified, he shall be allowed to participate in the other round of the tournament.

1. If disqualified in the first round, he may participate in the second round.
2. If disqualified in the second round, he may use his/her score from the first round.

In regional and state competition, a player shall pick up his/her ball and record a ten (10) after the ninth (9th) stroke of the hole. If a player continues to play, the player is not disqualified, but must count all shots played.

Competitor's scorecards shall be exchanged on the first tee. Each competitor will serve as a "marker" for his fellow competitor. After each hole the "marker" shall check the score with the competitor and record it on the scorecard. Competitors should also keep their own score to verify that each hole is correct. After completion of the round, the competitor should check his score for each hole and settle any doubtful points with the tournament director before the scorecard is signed. The tournament director's decision shall be final. The competitor is responsible for the correctness of the score recorded for each hole on his scorecard. If he returns a score for any hole lower than actually taken, he shall be disqualified. If he returns a score for any hole higher than actually taken, the score as returned shall stand. The competitor shall ensure that the marker has signed the card, countersign the card himself and return the card to the tournament director. The tournament director or committee shall be responsible for the addition of scores. When all scores have been posted on the official scoreboard and approved by the rules committee/tournament director, the results are deemed to have been officially announced. The competition is closed when the results have been officially announced and the results shall be final.

Ties for Team/Medalist Honors at District and Regional Tournaments: Only ties affecting the advancement of a team or an individual to the next level of play, shall be broken. If team scores are tied after the final round of play, the tie shall be determined by each tied team's coach selecting a golfer to represent the team in a sudden-victory playoff beginning with the first hole. If a tie exists between individuals, the tied golfers shall settle the tie in a sudden-victory playoff beginning with the first hole. All sudden-victory playoffs shall be decided independent of each other.

The LHSAA shall not present awards at district or regional tournaments.

In boys' play, in all divisions, a maximum of five golfers may be entered in a district, regional or state tournament. In boys' tournament play, the scores of the four golfers posting the lowest legal scores each day will be totaled to determine the team's score.

Refer to the LHSAA website (www.lhsaa.org) for the most current district and regional assignments, regional and state tournament information, including sites, dates, times, etc. Please note that changes may occur in sites, times, etc., even near the scheduled event, so check shortly before the appropriate date to make sure there are no last minute changes. The pairings will be made in the LHSAA office. Tee times will not be available until 24-48 hours prior to the regional and/or state tournaments.

DISTRICT TOURNAMENT (Boys Only) (Monday, April 21, 2014 - Thursday, April 24, 2014)

A district tournament shall be over one round of 18 holes. The course selected shall be an 18-hole course, if one is available, unless agreed upon by all participating schools.

If a district tournament is canceled because of inclement weather, it shall be rescheduled and completed prior to the date of the regional tournament.

Boys' District Meet – Each district shall determine the site and its policies for hosting the district golf meet for the purpose of determining its first, second, third, and fourth place team and individual medalists to advance to the regional meet. District tournaments shall be conducted by the deadline **Thursday, April 24, 2014**. If possible, district tournament courses shall be determined before the LHSAA's Annual Meeting in January.

Boys' Qualifiers from District Meet to Regional Meet – Each of the four (4) districts shall qualify the first, second, third, and fourth place teams and the first, second, third, and fourth place individual medalists to one of the two regional competitions. The individual medalist to advance to regional competition shall be the four highest ranked individuals who are not on an advancing team.

Follow-up Responsibilities: At the completion of district tournaments, each tournament director shall immediately send a copy of his/her district tournament results to the LHSAA. Maintain a copy of results in the event the LHSAA does not receive them.

REGIONAL TOURNAMENT (Monday, April 28, 2014 - Thursday, May 1, 2014)

The Executive Director shall secure possible sites for the boys' Regional Golf Tournaments.

A regional tournament shall be over one round of 18 holes. The course selected shall be an 18-hole course.

If a regional tournament is canceled because of inclement weather, it shall be rescheduled and completed prior to the date of the state tournament.

Boys' Qualifiers from Regional Meet to State Meet – Each of the two (2) regions shall qualify the first, second, third, and fourth place teams and the first, second, third, and fourth place individual finishers to state competition. The individual medalists to advance to state competition shall be the four highest ranked individuals who are not on an advancing team.

A school's official entry form shall be completed, signed by the principal, and sent to the LHSAA by mail postmarked no later **Thursday, May 1, 2014**. Names of the competing golfers and alternate golfers shall be listed on the official LHSAA entry form. In boys' competition, only those teams and individual medalist that qualified from the district need to send in an official entry form to the LHSAA. The entry form shall be accompanied by school check payable to the LHSAA, totaling \$10 per golfer entered. If a school fails to submit its entry form and fee to the LHSAA by the deadline, its golfer(s) shall be allowed to participate in the tournament if the school pays a \$50 late fee for one golfer or a \$100 fine for two or more golfers by the end of the coach's meeting on the first day of play. Substitutions shall be on the alternates' list. Any player whose name is on the school's entry form and is eligible to participate may be substituted on the team prior to the start of play. There will be no substitutes for individual medalist.

If a school or individual medalist that qualifies for the regional golf tournament wishes to withdraw, the school's principal shall submit a signed statement to the LHSAA Executive Director requesting not to be entered in the tournament no later than 24 hours after the completion of the district tournament. If properly notified within the 24-hour deadline, the team and/or individual player with the next lowest score from the same district may be substituted prior to the pairings being set. If a school fails to withdraw its team from the regional tournament after the pairings have been set and the team withdraws, forfeits, or fails to show up for the tournament, then the school shall be fined \$200.

After receiving all entry forms, the tournament director/committee shall group golfers and assign each group a tee time for each round of play. If possible, each group shall be formed so that groups consist of golfers from different schools in each round of play. Golfers shall be grouped according to the qualifying scores reported on the team's entry form.

A coaches' meeting shall be scheduled before the round of tournament play begins. All coaches/faculty representatives shall be present at the meeting. If this rule is violated, the school shall be fined \$50 for one golfer or \$100 for two or more golfers to allow them to participate in the tournament.

Follow-up Responsibilities: At the completion of regional tournaments, each tournament director shall immediately send a copy of his/her regional tournament results to the LHSAA. Maintain a copy of results in the event the LHSAA does not receive them.

STATE TOURNAMENT (Monday, May 5, 2014 & Tuesday, May 6, 2014)

To participate in the state tournament, a golfer shall be a member of a team that qualifies to the state tournament from the regional tournament in his division, or he shall qualify as an individual medalist at the regional tournament.

If a school or individual medalist that qualifies for the state golf tournament wishes to withdraw, the school's principal shall submit a signed statement to the LHSAA Executive Director requesting not to be entered in the tournament no later than 24 hours after the completion of the regional tournament. If properly notified within the 24-hour deadline, the team and/or individual player with the next lowest score from the same regional may be substituted prior to the pairings being set. If a school fails to withdraw its team from the state tournament after the pairings have been set and the team withdraws, forfeits, or fails to show up for the tournament, then the school shall be fined \$200.

A state tournament shall consist of two rounds of 18 holes for a 36-hole competition. The course selected shall be an 18-hole course. Interrupted Competition - If competition is interrupted due to darkness, inclement weather, or any other valid reason as approved by the tournament director/committee, if at all possible the competition shall be completed the next day from the point of interruption. If this is not possible, due to the availability of the course or other valid reason as approved by the tournament director/committee, if one round of 18 holes of play is canceled because of inclement weather, the state championship shall be determined by the recorded scores after one 18-hole round. If a round of play is canceled because of inclement weather before all of the competitors have completed play on that day, the entire round shall be:

1. Canceled if this occurs on the first day of play.
2. Canceled if this occurs on the second day of play and the first day of play has been completed.
3. Suspended if this occurs on the second day of play and the first day of play has been canceled because of inclement weather and shall be completed on the next playable day that is approved by the Executive Director.
4. **If one 18-hole round of play is completed on either day one or day two and every player in the competition completed the same nine holes on the other day of competition, then those nine holes will be computed into the team and individual scores to get a 27-hole total recorded to determine the state championship.**

Ties for Team/Medalists Honors: If team scores are tied for first place after the final round of play, the tie shall be determined by each tied team's coach selecting a golfer to represent the team in a sudden-victory play-off beginning with the first hole. If team scores are tied for second place after the final round of play, both teams shall be declared state runner-up and receive a runner-up trophy. If a tie exists between first-place medalists, the tied golfers shall settle the tie in a sudden-victory playoff beginning with the first hole. If a tie exists between second and/or third-place medalists, the tied golfers shall be declared co-second or co-third place finishers and all medalists that are tied shall receive the appropriate medal. All sudden-victory playoffs shall be decided independent of each other. **If a sudden-victory playoff cannot be completed or contested due to darkness, inclement weather, or any other valid reason as approved by the tournament director/committee, the tie in team competition shall be resolved by computing the aggregate scores of the four golfers for boys on the final day of 18-hole competition beginning with the first hole of play until the tie is broken. If the sudden-victory playoff cannot be competed in medalist play due to darkness, inclement weather or any other valid reason as approved by the tournament director/committee, all medalists tied for first-place shall be declared co-champions.**
